Internal Quality Assurance Cell (IQAC)

According to the guidelines of NAAC, the Internal Quality Assurance Cell (IQAC) was established to maintain long term quality standards of the Institute. Different policies related to quality-enhancement and infrastructural development were adopted since the establishment of IQAC.

Goals: The primary aim of IQAC is

- ➤ To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- > It also promotes the measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

IQAC evolve mechanisms and procedures for:

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks
- The relevance and quality of academic and research programmes
- Equitable access to and affordability of academic programmes for various sections of society
- Optimization and integration of modern methods of teaching and learning
- The credibility of evaluation procedures
- Ensuring the adequacy, maintenance and functioning of the support structure and services
- Research sharing and networking with other institutions in India and abroad

IQAC Functions
